The *Westchester Ballet Company*, a not-for-profit organization whose goal over the last fifty-seven years is to bring classical ballet theater to audiences in the Lower Hudson Valley, will hold its major fundraiser at Sleepy Hollow Country Club on the evening of Wednesday, June 11, 2008. Our 12th annual Spring Gala features a silent auction and raffle to raise monies for the company's various programs including our yearly production of *The Nutcracker*, a scholarship program that has awarded over \$100,000 to more than 300 children, a Master Class Program to develop the talents of young dancers and community outreach to underserved areas. The Gala evening includes al fresco dining and ballet excerpts presented by the *Westchester Ballet Company* overlooking the Hudson River.

We are asking for donations to our silent auction and raffle (gift certificates, services or products) with all proceeds funding the company's mission and growth. Donors are acknowledged at the Gala and in our 2008 *Nutcracker* program, distributed to audiences at the Westchester County Center. Cash donations are also greatly appreciated.

Please complete the donor form below, **keeping the top portion for your tax** records and returning the bottom portion with your donation. As the *Westchester Ballet Company* is a 501(c)3 charitable organization, your donation is tax deductible to the extent allowed by law. No goods or services have been exchanged for this donation. WBC does not fix a value on your gift, as that is the responsibility of the donor. The information will be used for the event program description. Please include with your donation any promotional materials you would like us to have on hand at the event. Unless otherwise specified, services are redeemable for one year following the Gala.

Thank you for donating to the Westchester Ballet Company. Your gift is vital, as auction bids and raffle sales are the major source of funds for our company. Again, thank you for your generous support.
